WORKING IN CAR DETAILING

Overview

This course is designed to provide students with the opportunity to learn specific skills relating to working in businesses that employee car detailers as well as generic employability skills. Delivery of this course is workplace based learning, giving the students the opportunity to apply their knowledge and skills they have learned in a real work situation in a number of different role and environments. Generic employability skills including the language, literacy and numeracy required for this industry will also be blended throughout the course.
